ARE YOU BUILDING IN MILLCREEK TWP?

Know someone who is?

Here is some info you may need.....

Millcreek Township requires:

Subdivision/Land Development approval- through County.

Building Permits and Agricultural Exemption- available from Bureau Veritas

Sewage Permits – available from Collin Fantaskey, SEO, required for Building Permit

Assessment Permits-

Prior Approval Forms- Required by Bureau Veritas, must be signed by Township.

Driveway and Street Excavation Permits- Available from Township. Pre and Post Inspections required for connections to Township roads, or when cutting, boring, trenching, etc. If drainage is interrupted, it is your responsibility to install Township/PennDOT approved pipe.

Stormwater Management Plan- State mandate- any building over 1000 square feet must have an approved plan. If over 5,000 square feet, need engineer.
